Rob's Remarks

About ten years ago, our congregation went through a year long process to define our core values and cast a vision for our future ministry in this neighborhood where God has planted Divine Redeemer. We all now know those core values to be: Loving, Serving, Sharing and Growing. We repeat them every Sunday two or three times during worship.

One of those times is the Loving, Serving, Sharing and Growing minute for mission when we describe some component of our common ministry to bring everyone an update. What can happen though is that by sharing short 'sound bites' we fail to get the overall picture that is emerging from our work in the community.

Two weeks ago about a dozen members of the church and students from House of Teens gathered to begin a strategic planning process for our outreach in the neighborhood. What has developed very organically for us is a comprehensive ministry that offers the children and youth of our community the most powerful anti-poverty agent known...Education. We now have multiple components in place that define a powerfully transforming ministry that will impact future generations for years to come. We are calling this outreach...MEYO Multi-level Educational Youth Outreach.

Beginning with Peace Pals for the elementary children, we build community, instill a desire for educational achievement and begin to nurture leadership and community service as core components of the children's lives. As they graduate to House of Teens their junior and senior high years are filled with additional academic support, group building, community service, leadership and value formation through Bible Study. During the senior high years through our partnership with VISTA college prep youth are exposed to college campuses, assisted in writing college essays and filing college applications. Then, through the HNS Auxiliary and the Rivera Family scholarship opportunities as well as other scholarship programs, youth are aided in paying for the college education they are now focused on attaining. Now we are exploring a relationship with the summer DOOR program of the Mennonite Church to provide summer service-learning jobs for senior high students. And who knows? Maybe some of them will come back after college to serve for a year as a Dwell volunteers and give a year of community service to our community!

Prior generations of Divine Redeemer members benefitted greatly from our Presbyterian commitment to education. They attended Presbyterian schools, with support from Presbyterian money and the encouragement of this congregation's missionary leaders, beginning either a great start in early education at the HNS kindergarten. Now it is OUR generation's turn to leave a legacy of liberation from poverty through the educational outreach of MEYO. This is how we hope to impact families for generations to come. By establishing these programs as a *permanent* outreach of Divine Redeemer we will leave a Ministry Legacy that we can be proud to celebrate!! Now you have the BIG picture!

Thank You

I want to thank the church for the very touching and generous gift that I received today (6/27/10). I am grateful for the support of the congregation, the wonderful voices of the choir, the fine pianos, Los Holies Boys, Sarah Mueller's singing (whom we need to hear more of) and everyone else who participates in our musical life. I know that music is nothing but the very manifestation of God's grace in our lives.

D.R. Young Adults

The Young Adults at Divine Redeemer are paddling strong. We just finished our kayaking and canoe trip on the Guadalupe River. It was a joyous adventure down the Guadalupe. We took several stops to soak in God's creation, to skip rocks and to jump off the rope swings into the cool river. In addition to enjoying the river, we had a nice cookout underneath the shade of some lovely cypress trees.

The Young Adults will continue to have summer fun by having another potluck dinner. This dinner will be July 18 at Christy and Tommy Wallace's house at 6:30 pm. In August the Young Adults are planning to go camping at Mo-Ranch. Please contact Adam Clemmons for further information. He may be reached by phone at 210.710.5405 or email him at adam.clemmons@gmail.com.

Divine Redeemer Youth

The summer started off with a great Youth Sunday service! What a great job the youth did! I am very proud of them and thankful for all of their hard work. Then we had a successful joint car wash with House of Teens to help our Mission Trip. We raised \$296.50! Our Mission Trip is the week of July 11th and we are going to Camp C.A.M.P. (Children's Association for Maximum Potential). This camp was built for children with disabilities and gives them the camp experience of a child without disabilities. Our youth will be volunteering in every aspect of the camper's day, being a part of the daily activities, helping out in the kitchen, being janitorial staff, etc. Anything that is needed to run the camp we will get to participate in!

The youth group has a new youth group time, on Wednesday with our dates in July being the 7th and 21st and the dates in August are 11th and 18th. So far we have hung out at the yellow house and been to Amy's Ice Cream. One of our next adventures includes a visit to Laser Quest! We are still meeting on Sundays from 10:30-11:15!

Thank you for all the support. We are having a great summer!

PEACE PALS

Every Wednesday, Thursday and Friday I walk into the Yellow House and hear the screams...Miss Carrie Miss Carrie what are we doing today?! We have begun our first summer programming for PEACE PALS and we meet in the Yellow House Wednesday-Friday from 12-2pm!! We had our first trip to Woodlawn Swimming Pool on Friday the 18th (oh what fun it was!) and we are going to try and get to the pool as many days as we can to get through this hot summer!

PEACE PALS does have a special event that we are excited about...we are going to a free Young People's Concert held at Our Lady of the Lake and it is a part of "A Pear(fect) Season Cactus Pear Music Festival". It is on July 9th from 2-3 and they perform classical music and talk about the instruments they use. I had to RSVP since we are a large group and I registered 3 adults hoping some of you might be free to help me transport children and enjoy the music!

Our school year starts August 23rd! And I am asking you to check your calendars now and think about volunteering with us!

Last, I want to share a story with you. I am hanging out with some of the Youth Group in the yellow house one Wednesday night and in come 3 of my boys from PEACE PALS. When I ask them how they knew I was there they say because my car is parked in the street. Oh of course I think! It really was a blessing to me to know that even though we didn't have something scheduled, when they see my car they are going to come by to figure out what is going on! Thanks be to God!

Thrift Shop

HELP! HELP! HELP! As you all know the HNS runs a thrift shop on Tuesday morning. However, many of the workers are Divine Redeemer volunteers and WE NEED WORKERS! Unfortunately, our site is not the best, but we do the best we can. All items are kept on the stage area and need to be carried down to the floor area each Tuesday for the sale. This includes the bulky clothes hangers to hang the clothes, the clothes, plastic containers, and lots of other items. This involves lots of help to bring them down and take them back up when the sale is over. It is hard work, but well worth it for the people that come to buy items at a reasonable price. The fellowship is great and the work is rewarding. If you have some spare time on Tuesday mornings, please come and help. It will be greatly appreciated.

Home Bound Ministry

The Homebound Ministry Team reviewed, revised, and reorganized in order to nurture, visit, and maintain connections with our brothers and sisters. Additionally, there was a need to provide Communion in a more inclusive and organized manner. We expect to work cooperatively with our elders and laity to take communion to the homebound on Sunday's after the 11 a.m. service. We need one elder and one lay person to do this on Communion Sunday. Rev. Mueller will hold a one hour training after church one Sunday in preparation to begin this. Everyone is asked to please pray, equip yourself, and volunteer to help in this ministry. Communion is taken on a quarterly basis, so it only takes 1 – 1 ½ hours every three months.

We will be sending cards to the sick on a regular basis and on their birthday. The cards will be placed in the pews with the name of the person on the envelope. Please write a note to the person when you find the card in the pew. The homebound also receive the bulletin, the Upper Room, and the newsletter. This ministry is very important because it keeps us connected. These members have helped to provide what we have today and who we are. They have interesting stories to tell. Remember, that we all will be in a similar stage some day.

In addition to our homebound, we want to also remember our caregivers. Their lives have been altered, new activities learned, and many unexpected events happen. Through this all they have had to have lots of patience. Love and faith are the guiding factors. Remember to call, offer to sit with the homebound for 1 or 2 hours so that they can have some time to themselves. You can also help the caregiver by providing the homebound with transportation, reading to them, or just conversation. God bless us all as we endeavor to nurture each other.

House of Teens

Greetings!! Summer is here and House of Teens is kicking it into full gear. We began our summer activities with the House of Teens and DR Youth Mission Trip fundraiser. 22 beautiful young people showed up to help out with the car wash. Excited to raise money for the July mission trip the youth cleaned just about 30 cars from DR and the neighborhood to raise a Grand total of over \$390! Thank you to everyone who continually supports the Youth Group and House of Teens and today we especially thank those who had dirty cars to bring to us our servant hands.

As summer continues we have a full schedule: we will start with our now traditional soda sale on Tuesdays at the HNS food pantry and thrift store where the youth have an opportunity to get to know individuals and families from the neighborhood and surrounding areas as well as have an opportunity to learn about the Joys and responsibilities of money. We will also be supporting Divine Redeemer by volunteering with Vacation Bible School at the end of June. However, we don't stop there! In July we head to Center Point, Texas for our mission to Camp C.A.M.P. There the youth will help other volunteers run daily activities as well as prepare for a carnival at the end of the weeks festivities for all participants!

Remember we are still having Teen Night every Tuesday night from 7-9pm where the youth and other members of the community come together, play basketball, other games, sometimes watch movies and have some great time to fellowship. If you are interested Contact Andrew Willems, Lauren Deal or just come on by!

Sharing Team Update June 28, 2010

We have started this summer with a flurry of Property and Grounds activities. During the Loving, Serving, Sharing and Growing time of the June 27th service Bubba gave an update to the congregation.

There is a sale pending on the Lupe Palomo property that was willed to the church. Sealed cash bids were collected and the highest bid was for **\$19,500**. This is within range of what the team was expecting to get for the property (located on 2947 W. French Place). It is in disrepair and going to need major renovations. The potential buyer lives on the adjacent street and wants the property for his son's family.

A congregational meeting has been set up after the July 11th service to vote on the sale of the property. If approved, a sales contract will be finalized and a transfer of Title will occur.

.....
The HNS Board and Sharing Team are in agreement for the potential sale of the 1,200 sq. foot "Yellow" House (located on 2802 Salinas).

The final purchase price that Divine Redeemer will pay HNS factors in repair bids that we will deduct from the fair market price of \$36,000. Repairs to the A/C system, attic insulation and house leveling were agreed upon.

We already have a bid for the A/C repair in the amount of \$4,548.00. We are in the process of acquiring the other two bids. So, we're looking so far of a sales price of **\$31,452** less the additional attic insulation and house leveling costs. More on this as developments occur.

.....
We were informed by the HNS Board that we would no longer be able to use their vehicles for any type of transportation. Our Community Catalyst obtained a **\$13,000 grant** from the Family Service Association for the purchase of a vehicle that will be used for various HOT and PEACE PAL activities until the end of August. After August it can be used by DRY, DR, HEB camp, etc. Dee, Roberto Tudon and Bubba went shopping and found a vehicle in New Braunfels. Dee was able to negotiate the sales price down to **\$25,584.54** It is a 2005 Model that will seat 14 passengers and 1 driver. This is the maximum number of passengers that can be transported without the driver needing a Commercial Driver's License. It has a wheelchair lift that will come in handy when transporting seniors who have a hard time walking up the stairs in the vehicle. The Church is responsible for the **\$12,584.54** balance, which will come from Interest Dividends of the \$1.2 million endowment

As you can see by the pictures the vehicle is in great shape and only has 131,000 miles, not bad at all for a diesel engine!

.....
Speaking of the WDPA Endowment, here is the body of an email I received Friday, January 25th : Rudy,

The 2010 Year to Date Return is 4.26%.
January 1st Balance was \$1,224,480
June 23rd closing balance \$1,276,611
Appreciation \$52,131

Included in the appreciation is \$18,845 of income generated. Since Inception August 31, 2008 performance is 4.54% annualized. Please let me know of any additional information you may need.

Many thanks,
