

"Blessed To Be A Blessing"

The Loving Team invites our congregation, families and friends to 4 Potluck lunches over the next few months

As we enter a time of Holy Risk Taking we would like to break bread and share conversations. Our conversations will be focused on sharing, generosity, blessings and how we can share these gifts with others.

Each of these Potluck Sundays we will have only 1 joint service (@ 10:30 AM), that way everyone who wishes to attend can do so.

Please put these dates on your calendar so you can share your delicious dishes and your beautiful hearts with us.
